

# Cultivate Productivity

**Course: CATIA V4 – V5 Interoperability**

**Objective:** Enable users and designers to learn procedures to:

- Use CATIA V4 data in CATIA V5
- Transfer a CATIA V4 Solid into a CATIA V5 CATPart
- Manage the link between CATIA V4 and CATIA V5 documents

With complete 2 day course, user will learn advanced interoperability concepts about the migration of CATIA V4 geometric/application data to CATIA V5 and how V5 data can be saved in CATIA V4 formats or used directly in CATIA V4.

**Duration: This is a Flexi Course. 1 or 2 Day Option.**

**Price:** 1 Day Course \$600.00CAN  
**OR** 2 Days of Adv. V4-V5 Interoperability \$1200.00CAN

**Student Profile: CATIA V5 Users or Experienced CATIA V4-V5 Users**

**Pre-requisites:** Working knowledge of CATIA V5 Mechanical Design Solutions or V5 Fundamentals

Content	Description	Time Duration
<b>CATIA V4 Integration</b>	<b>Introduction to V4 Integration</b> Creating a CATProduct using V4 data Assembly of V4 data in a V5 CATProduct Transferring V4 data into V5 CATPart Design in context Drawing of a V4/V5 document in V5 Migration of 2D Draw elements and Views CATIA V5 DMU solutions and V4 data Links between V4 data and V5 documents	<b>1 Day</b> <b>(Flexi Option)</b>
<b>V4-V5 Advance Interoperability</b>	<b>From V4 to V5</b> Transfer of V4 geometric data to V5 Transfer of V4 application data to V5 <b>From V5 to V4</b> Using V5 data in V4 Saving V5 data in V4 formats	<b>1.5 Days</b>
